Dear Mr Mayor,
ARC3

Site:- 32 AWTYRE WAY
BECKENHAM.

Some while ago you were kind enough to visit the above site, and carry out a survey on the problem of water penetration.

You also recommended D.R. Knight Developments for putting the matter right.

I am pleased to advise you that Doug Knight's team did an excellent job. There is no doubt that I should recommend this company for any other works.

Thank you for your initial survey and recommendation.

Yours sincerely

PETER J. SMITH .
